REMARKS

The rejection under 35 USC §112, 2nd Paragraph has been addressed by changing “said decompressor” to –a decompressor– in line 2 of claim 8.

In addition, claims 13 and 14 have been amended to correct the informalities noted in items 1 and 2 on page 2 of the Official Action.

Having thus overcome each of the objections and rejections made in the Official Action, expedited passage of the application to issue is requested.

Should the Examiner nevertheless discover that further changes are needed to place the application in condition for allowance, the Examiner is invited to telephone the undersigned in order to discuss the changes.

Respectfully submitted,
